### No. 15 — Facility Solutions Group, Inc.

Austin, Texas

Founded in 1986, FSG Electric (FSGE) is a full-service contractor, providing electrical service, project management, electrical engineering, and electrical construction for general contractors, design-build firms, national retail accounts, facility managers, and building owners. Company services also include data cabling, thermography, aerial lighting service and rappelling. FSGE offers 24-hour emergency service. Additionally, FSGE's energy audits and lighting retrofits help customers identify lost profit due to inefficient electrical systems, adding directly to the customer's bottom line.

**2015 Electrical Revenue: \$394.4 million**

Every September, *EC&M* unveils the highly anticipated Top 50 electrical contractors list, ranked specifically by electrical and datacom revenue. Reaching the highest number in years with a combined total of \$21.8 billion in 2014, this year's group surpassed that number with \$22.8 billion for 2015. This photo gallery offers a sneak peek at the companies making it into the Top 20 spots, listed in descending order and based on 2015 electrical sales data.
