### CHALLENGE

King Kullen Supermarkets selected FSG to perform a lighting upgrade in their stores in Long Island, New York. A total of 42 stores would undergo a complete lighting overhaul, from the retail floor to the back of house.

### SOLUTION

Facility Solutions Group displayed our trademark turnkey capabilities by covering all aspects of this upgrade project. Our experts designed, supplied, and installed all of the updated systems. Additionally, our rebate management team secured a rebate in excess of \$2,300,000, ensuring a total payback time of less than one year for the whole project. Upgrades included new fluorescent lights on the retail floor, and LED fixtures throughout vapor tight fixtures, refrigerated cases, and the back of house. Always efficient and thorough, FSG completed all 42 locations in under six months.
